Currently on a working holiday in Germany, I am a Sous Chef at Bergström Luneburg and studying data science.

With previous experience in project management, gastronomic consulting, and business development, My passion for innovative projects and technology motivates me to make a positive impact in society.

EXPERIENCE

2022

Private Chef - Caribbean Gems S. de RL

Managed gastronomic projects as Private Chef with Caribbean Gems, showcasing creativity, budgeting, leadership, and communication skills.

2021

Executive Chef Grupo Materia S. de RL.

As an Executive Chef for Grupo Materia, I led and managed teams, managed budgets and accounting, and utilized my business management, communication, and economics skills.

2020

Owner Chilling Burger

I developed the business, managed projects, led and managed teams, handled budgets and accounting, and communicated with customers and stakeholders.
